COMMODORE'S CORNER

We look forward to seeing you at our 2011 Annual Membership Meeting which will take place at SIYC beginning at 3:00 P.M. on Saturday September 10th. I urge all of you to attend. You will hear the reports from your Club Officers and Committee chairpersons describing the current state of our club, what actions/activities are planned for the rest of the year, and how we are doing financially. By the end of August, you will have been mailed an agenda and a sample ballot listing all the nominees for 2012 club Officers and our 5 new BOG members. Right now I know of no other pending business, but if some is placed on the agenda, you will be informed through the Secretary's meeting notification letter. Before the meeting concludes, members will have an opportunity to place comments in the record and ask questions. Please plan on joining us after the meeting for the complimentary member dinner planned for 6:00 P. M.

Your 2011 Bridge Officers believe that the increased attendance, revenues, and better than planned financial performance so far this year are good signs that our club is healthy and on the right track. Nancy and I spend a considerable amount of time at the clubhouse, and we observe a positive atmosphere and lots of members having a good time enjoying their old and new friends. On the subject of "old and new", please remember that if not for the efforts and accomplishments of our many long-time members, the great club we have today would not be possible. They have earned a right to be heard and have their inputs/desires seriously considered. Also please remember that our new members (and the prospective members on our wait list) are the future life blood of our club. They too want the best for SIYC and have many good ideas worthy of our consideration. The Bridge has tried to listen to all views and offer diverse activities in the hope that all of you will find things to enjoy about your club. We are so pleased to see so many of you so often at SIYC. We appreciate so much the fine efforts of all our volunteers and our staff.

Thank you all for your support of your club. Please plan on enjoying some of the many great club events planned for the rest of this year or just stop by and share some pleasant time in the clubhouse. With your approval, most of the Bridge will remain in place next year and I have every expectation that their efforts will produce an even better club next year. We are looking forward to sharing many more good times with all of you at SIYC.

Best Regard, Bob K

"Time flies when you're having fun." I must be having a ball as SIYC is approaching the fun times of late summer and early fall. Our annual membership meeting on September 10 will be fun, as well as informative. It's a good time to catch up with long term and newer members. See you there!

Cheers,
Bill

ARE WE HAVING FUN YET?

Judging by your attendance at SIYC events I would have to say that the answer is YES INDEED.

August has been very busy with cruises and other great events here at SIYC. They say that time flies when you are having fun, and August has certainly flown by.

September is going to be action packed with the Labor Day Picnic, Annual Meeting and Dinner, and a special French Bistro Dinner on October 1st, as well as our usual fun Wednesday events. The members who spearhead these Wednesday events do a great service to SIYC and should be thanked by all for making Wednesdays fun and fashionable and much more than just "Hump Day". My personal thanks go out to these mid-week warriors of SIYC.

What could be better than September on the lawn at SIYC? Come on out and enjoy the fun.

We are searching for the "September Artist of the Month", so let me know of your interest in showing your work in our Artist's Corner in the Captain's Lounge.

Let me know of any ideas you may have for new fun events, or fun events that we may have done in the past that warrant resurrection. I always enjoy your feedback.

Remember, every hour is Happy Hour at SIYC.

Respectfully submitted,
Jim Shepherd, RC.

Special Note - Goodbye Irene!

Hope all SIYC members and their boats and property successfully survived Irene. Special thoughts go out to those who have had damage.
